

MILANO 2015

What to expect at Expo

Welcome to the biggest event ever organized on food and nutrition. The theme <i>Feeding the Planet, Energy for Life</i> is addressed by all the participating countries, International Organizations and by Civil Societies and Companies, in the Thematic Areas or those dedicated to the Events.	Countries Pavilions and exhibition spaces of the participating countries of Expo	Clusters Different countries share a particular genius loci or food chain	Civil Society Organizations and associations reflect on the future of food and nutrition	Companies The pavilions and stands of private companies	Thematic Areas Pavilions and narrative paths on the Expo theme with exhibitions and insights	Events Areas Common areas that host events, shows and cultural initiatives	Restaurants At the site, you will find dozens of restaurants and self-services, for a direct experience of the theme	Kiosks Stop at one of the most kiosks throughout the site where you can taste quality products and refined dishes	Street Food As in the most traditional Italian markets, for a quick outdoor snack

A feast of cultures, populations, tastes

Throughout the Expo site, visitors can taste the different specialities. You can have a drink, try for the first time a dish never heard of, eat standing or sitting comfortably, whether it is the dish of a renowned chef or a skewer: you will enjoy a real world tour between Cardo and Decumano.

World Cuisine

In addition to the offer of the pavilions of participating countries, where you can enjoy their traditional specialities, the following are also available:

BBQ Hooligans	141 I 24
